## WVU Medicine Children's Annual Gala Sponsorship Opportunities Benefitting Mid-Ohio Valley Kids

### HELP LOCAL WEST VIRGINIA KIDS

WVU Medicine Children's provides specialty maternal, infant, and pediatric care for families in West Virginia and the surrounding region. We offer care to premature infants and children with life-threatening conditions through adolescence to adulthood. Last year, kids from the Mid-Ohio Valley were treated at a WVU Medicine Children's hospital or clinic 10,310 times.

Our team of dedicated physicians and staff in the Mid-Ohio Valley region provides comprehensive care to children up to 18 years of age. Our expert team of pediatric doctors and nurses work together to provide exceptional medical care.

We are committed to improve the health of our region, the time is now - the place is here - and we need your help.

Our goal is for every West Virginia resident, no matter how small, to receive excellent care in their community and to stay in the state for their healthcare needs.

Proceeds from last year's WVU Medicine Children's Mid-Ohio Valley Gala were used to purchase a pacifier activated lullaby (PAL) device to assist infants at WVU Medicine Camden Clark Medical Center.
